“Ma, you are, without a doubt, the greatest mother a child could ever have. You made God the center of your life and you considered Daddy and us children your world. You have always taken such good care of us and have taught us the true meaning of love and family. I love you so much! I will always keep you in my heart! My beautiful Ma. Love always, Francesca

“Mercedes was the sweetest woman . She always had a smile on her face. She would always talk about her family and how much she missed her husband when he was working. Her eyes showed how much her family meant to her. She will be forever missed. May She rest in paradise.

“My mother is the greatest, most kindhearted, giving woman in the world. She truly loved God, her family, husband, life and teaching her students. Every day she would wake up and say to me "Thank you God I am alive and for my life". My mother would do anything for us to please us and keep us safe. Words cannot describe how much I am going to miss my mother, but she will always be in my heart, thoughts and actions.
I love you Ma, Marguerite
